SEASONAL LIMITED-TIME-OFFERS

Our **seasonal limited-time offers** increase customer sampling and satisfaction. Treat your customers and your bottom line with these special coffees.

PUMPKIN HARVEST

Our **PUMPKIN HARVEST** coffee brings forth images of firesides, color changing leaves, and the distinctive smell of freshly baked pumpkin pie. To do justice to this fall favorite we chose a beautiful, smooth medium-bodied coffee and layered in a rich blend of pumpkin, clove, cinnamon and nutmeg flavors. The result is a warm, comforting blend that your customers will enjoy from morning until night.

CHOCOLATE HAZELNUT

Our **CHOCOLATE HAZELNUT** coffee is perfect to offer during those cool winter days when we all crave a little treat. Our dark, full-bodied and smooth French Roast stands as the perfect base for this limited time offer. We then mix in the creamy goodness of Swiss Chocolate and the rich flavor of hazelnut for pure perfection. While the aroma alone is enough to make your mouth water, the rich, full flavor will have your customers coming back for more.
