

CAPPUCCINO

CAPPUCCINO IS AN ITALIAN COFFEE DRINK

traditionally prepared with espresso, hot milk and steamed milk foam. It is a delicious frothy treat. Our interpretation of this classic is a rich, creamy, satisfying favorite. Our many traditional flavors as well as seasonal limited time offerings will expand your beverage program and increase customer satisfaction. Our beautiful customized point of sale marketing support will encourage new patrons to try a Cappuccino and increase sampling among your established customers.

At Red Diamond, we are driven by an obsession to provide a world-class coffee and tea experience. Since 1906, the cornerstone of our company has been our commitment to unparalleled quality, innovation and customer service.

Expect Perfection.
