

ESTATE COFFEE

At Red Diamond, we are driven by an obsession to provide a world-class coffee and tea experience. Since 1906, the cornerstone of our company has been our commitment to unparalleled quality, innovation and customer service.

Expect Perfection.

CREATE YOUR OWN SIGNATURE COFFEE COLLECTION with our exceptional Estate blends. These enticing medium to dark roast coffees are sourced from around the world, and designed for service in the finest restaurants, cafes and coffee houses.

We select only the finest high grown, new crop, 100% Arabica beans. Hand picked and sundried, nothing is left to chance. Our master roasters taste every coffee when it arrives at our facility, to re-confirm it has the qualities for which it was selected. We custom roast small batches daily using our world class Scolari roasting system, delivering coffee fresh and fast.

Whether you desire a complex, layered dark roast, a smooth, rich medium roast or a spirited flavored coffee, we have the perfect blend for you. Estate Coffees are available in a variety of pack weights to meet your specific needs.

We'll help you serve the perfect cup. Every day.

ESTATE COFFEE

GOURMET RESERVE

This unique blend of gourmet coffee is composed of selections from the finest coffee estates in the world. This coffee provides all the richness, exhilarating aroma and smooth taste you expect from a truly superb cup of coffee.

BLONDE ROAST

This mellow, light roasted coffee is smooth and pleasing with a variety of fruit notes. Enjoy a flavorful cup with a pleasant, balanced finish.

COLOMBIAN

This medium roast, 100% Arabica coffee from the mountains of Colombia delivers the perfect cup; it is at once strong and smooth with a rich aroma, medium body and a sweet finish.

DARK ROAST

This classic 100% Arabica blend is the perfect dark roast coffee, delivering an amazing aroma and a rich balanced cup with a lovely smooth finish. It stands up to sugar and cream to perfection.

FRENCH ROAST

This classic coffee is the lightest of our dark roasted coffees, full-bodied with a silky finish. This is a sophisticated coffee. Also available naturally decaffeinated.

EUROPEAN ROAST

This complex coffee will please all parties. This dark roasted coffee delivers bold flavor with a clean finish. The sultry aroma will please and it stands up to sugar and cream to perfection. Also available naturally decaffeinated.

ITALIAN ROAST

Our darkest roast, it boasts a smoky aroma. The cup is complex, rich and full-bodied with a roasty flavor.

DECAFFEINATED

This medium roast coffee has all of the body and flavor of a perfect cup, without the caffeine. We use the finest decaffeination process available today, natural carbon dioxide, to remove 97% of the caffeine but none of the great coffee taste.

ENTICING FLAVORED COFFEES:

FRENCH VANILLA

has the wonderful creamy flavor of caramelized vanilla. This is a truly sumptuous coffee.

HAZELNUT

is always a favorite. This smooth rich coffee delivers a roasted, nutty mellow cup every time.

HIGHLANDER GROG

has a sweet butterscotch flavor, along with a delightful combination of hazelnut and whiskey flavor.

JAMAICAN ME CRAZY

this delightful coffee tastes like a combination of tropical fruit mixed with smooth, dark island rum flavors. Be Happy.

SOUTHERN PECAN

has a toasted, nutty, soft buttery flavor with aroma to match. It is as rich and decadent as the perfect southern pecan pie.
