# IMPROVE YOUR WORKPLACE COFFEE

## PROVIDING QUALITY COFFEE

is a simple way to show your employees that they are appreciated and valued. And, experts agree it can increase one's ability to focus and problem-solve. Red Diamond's single-serve City Steam® pods are the perfect workplace coffee option. These medium to dark roast coffees are blends of high grown, 100% Arabica beans from Central and South America. Every cup is guaranteed to please with a smooth rich taste, subtle undertones and silky high-notes. Choose from medium roasts, dark complex roasts or aromatic, flavored blends to satisfy and energize your people throughout the workday.

Available in 6 pack case: 18 ct/6 gram pods
